

# A Moment Is All

A moment is all that God asks of us;  
done in a heart beat or blink of an eye:  
such moments sacrificed for Christ Jesus  
are love-offerings God will glorify.

I, who want life, give my moments to God;  
my every heartbeat and blink of my eye.  
My moments are Theirs now: Father, Son and  
Spirit make fruitful those moments, not I.

You who want life, God asks for your moments;  
yes, every heartbeat and blink of your eye:  
such moments you give Him – even the few,  
the LORD GOD shall most surely sanctify.
