

# Dear Sweet Morning

Dear Sweet Morning Jesus Christ.  
Day dawns gleaming after night.  
Ancient days of dusk till dawn,  
silent pass until they're gone.  
Shards of darkness pierce no more;  
shattered souls rise off the floor.  
Hearts once faint now beat strong;  
newborns sing salvation's song!  
Day dawns gleaming after night.  
Dear Sweet Morning Jesus Christ.
