

# Quite The Journey

Lord, it's been quite the journey.

So I ask You: is there no end  
to all the strife and struggle  
with each and every step  
at each and every bend?

True. You caught me as I stumbled  
over the worst of cracks and rocks.  
Yes. You even blessed me as I grumbled.  
I agree. No kinder path, no other  
could have done so much for me,  
nor said so well "I love her".

Still, Lord, it's been quite the journey.  
I'm tired and I'm hungry.  
I think I'll rest here just for now.

What's that, Jesus?  
Your Fruit grows sweetest  
just beyond the hardest mile?

Lord, I must say...this is quite the journey!

Let's keep walking just a little further.  
Let's keep talking just a little while.
